

PORTABLE FILTRATION CARTS

The **Waterco Portable Filtration Carts** are the most efficient filtration carts on the market. They trap 80% or more debris before it reaches the media filter.

There are 2 styles to choose from and are easy maneuverable portable filtration carts.

OPTION 1: DUAL STAGE FILTRATION WITH

Cyclonic Powered Filtration

**OPTION 2: SINGLE STAGE FILTRATION WITH
PROPRIETARY ELEMENT**

Perfect For:

- **Service Routes**
- **Hotels/Condos/Fountains**
- **Plaster Clean Up**
- **And much more**

Dual Stage With Cyclonic Powered Filtration

Single Stage Filtration With Proprietary Element Filter
